UPDATE FROM THE JOINT RA & RSG 13 JULY 2021 MEETING

1. Noticeboards

Still waiting for panel legs to arrive – LL to chase up. **LL** to update at next meeting.

2. Dropped Curbs, Highways and parking

No change to current position. Waiting for Highways to carry out a survey following which will look for funding – might take some time. **Item** for RA & RSG Agenda 14 September 2021.

3. Rubbish bins location

PG, the surveyor, is looking to see whether the dropped clamp pilot at the top of the estate is successful or not. He asked the senior caretaker to put dropped clamp place in position in front a few bins areas to stop residents parking in front of the bins areas. PG will feedback at the 10 August 2021 meeting. If it works he will implemented elsewhere.

4. Estate Newsletter

The newsletter will be going out to residents in August.

5. Abandoned Cars

LL passed this item to a colleague who will deals with this work area. If there are any issues, they will contact LL. KC and LL visited to the undercroft parking about 2 weeks ago and a lot of cars have been removed there are only a couple of vehicles left.

6. HUB – working from home

LL and KC had a departmental meeting on the 14/07. LL and KC gave their views to MK and MV. They will give their feedback back. It looks like we might be going

MS picked the spare set of keys.

PPCR door-knocking Tuesday 17 August

PPCR briefing session with KC on the 10 August at 3pm, to talk about the structure of the door-knocking day.

PPCR are distributing 2 leaflets tomorrow, 1 promoting the Neighbourhood Watch scheme, the other one is asking residents for their support for the MUGA and for the water equipment for the sheltered blocks' garden, recruiting new RA and RSG member. PPCR is going to put the leaflets on the blog. If PPCR get phone call from residents who have completing their forms, residents will be advised to drop the leaflet(s) at the Hub's letter box, at the back, 2 Cheyne Path. Hub to hold on to completed form until PPCR comes to collect them on the 17/08. If any received after that date, HUB to post them back to PPCR. LL agreed and will advise her colleagues.

KPIs

It was very useful for the residents. Please that PG presented the KPIs for the 1st quarter at the RA & RSG meeting. Residents are looking forward to the 2nd quarter presentation.

LL won't be attending the next RA & RSG meeting, apologies. KC will be in attendance.
