Residents would need to book an appointment first either by phone or online. Residents will be informed by letter of the new working arrangements when arrangements are definite.

MS, KC and PPCR to meet at 3pm to visit temporary Community Centre - to check the facilities including WiFi - prior to re-starting RSG face-to-face meeting in 9 November.

9. Nicer Neighbourhood funding application

Further to PPCR door-knocking Copley residents on Tuesday 17 August, formal evidence of estate-wide consultation with 114 residents (20% of residents) approving the MUGA and watering equipment for the sheltered blocks were sent to KZ and SP to back up the funding application.
